News Release

hal Systems Corporation Announces [CountyRecords.com](http://www.CountyRecords.com)

hal Systems Corporation is pleased to announce a '*totally new way*' of doing business with the introduction of www.CountyRecords.com, our '*Document and Data Hosting*' web site. With the rollout of this new Internet site, *hal Systems* offers you a new and exciting way to increase your revenues by allowing you to sell your title plant information and documents over the Internet. *Powered by our new Internet Title Plant Imaging product e.halFILE*, *hal Systems* clearly remains the software leader in the Title Insurance & County Recorder marketplace.

Becoming a **CountyRecords partner** on [CountyRecords.com](http://www.CountyRecords.com) is easy:

- **Supply documents and data**--Supply documents (typically TIFF images) and data to [CountyRecords.com](http://www.CountyRecords.com) so they can be placed on the Internet. If you currently have a *halFILE* system in place, you are ready to go! If you have data and images captured by another product, we can discuss how they can be converted and placed on the web. If you have not started capturing documents but want to know what is involved, call us!
- **Help set pricing structure**—[CountyRecords.com](http://www.CountyRecords.com) provides sophisticated, multi-tiered billing plans that enable you to create pricing options that can attract business. We can show you how existing partners have structured their plans and work with you to create your own structure based on expected activity.
- **Share in the revenues**—[CountyRecords.com](http://www.CountyRecords.com) performs all the credit card validation, invoicing and collection. You receive one monthly check for your revenue share along with detail transaction activity. Attractive revenue sharing plans are available, so call now!
- **Receive free access to your on-line documents**--You will be provided a password which will enable you to access your documents, free of charge, from anywhere in the world!
- **Get your own company web page on [CountyRecords.com](http://www.CountyRecords.com)**--We will develop your web page and submit it to popular search engines so you can have a presence on the Internet.

With '*Document and Data Hosting*', *hal Systems* now makes it possible for even the smallest Title office, in the most remote part of the world, to have the capability to be on the '*leading edge*' of technology.

Become a [CountyRecords.com](http://www.CountyRecords.com) partner today.
Call (800) 442-9273 and find out how easy it is!
